Annual Reports

of the Town of

Deering

New Hampshire

1995

The Election of Town Officers will be held on Tuesday, March 12, 1996 from 11:00 AM to 7:00 PM and the business meeting of the Town will begin at 9:00 AM, Saturday, March 16, 1996 at the Town Hall in Deering.

— Board of Selectmen

Dedication

The Town of Deering would like to dedicate this annual report to Robert P. Nugent III and Marjorie Heath. Their community spirit was expressed by their actions and years of service to Deering. They were outstanding citizens who unselfishly donated their time and service to the betterment of the Town.

(1998), Beverly Yeaple, Alt. and Secretary (1998)

HISTORIC DISTRICT COMMISSION - Thomas Copadis, Chair
(1996), Nancy Ann Mooney (1996)

SELECTMEN'S REPORT

The Selectmen appointed a Budget Advisory Committee consisting of Mr. Charles Gaides, Mr. Keith Miles, Mr. Ed Naile, Mr. John Ramsay, Ms. Rose Wilson, and Ms. Kay Yeaple. The Committee provided guidance to the various department heads relative to the development of their annual budgets and made some general recommendations relative to budgeting and accounting procedures. The Selectmen wish to thank the Budget Advisory Committee and the department heads for their cooperative efforts.

A Transfer Station Committee was appointed by the Selectmen which consists of Mr. Peter Beard, Mr. Gary Bono, Mr. Ed Cobbett, Mr. Ray Dufrene, and Dr. Jane Spragg. The Committee has spent much time and effort studying the various solid waste disposal options available to the Town. The Selectmen would like to thank this Committee for its efforts.

As you review the budget and warrant for 1996, you will see that the Selectmen have presented a budget which reflects level funding with that of 1995. Article 7 is in direct response to the recommendations of the Budget Advisory Committee. This computer software will enable us to modernize our accounting capabilities.

The Deering Highway Department has had a very tough winter, but has managed to do a good job on keeping our roads safe and passable. Article 9 represents an opportunity for the Town to replace a deficient bridge on Pleasant Pond Road for a cost of \$24,000.00. The Town filed an application with the State of New Hampshire Bridge Aid Program and was accepted. Under this program, the State would fund 80% of the \$120,000.00 bridge replacement costs and construct the bridge if the Town of Deering appropriates \$24,000.00.

The Selectmen would like to express the Town's appreciation to our dedicated and hard working elected officials, department heads, employees, and volunteers.

Edward Cobbett, Chairman
Eleanor Fitzpatrick
Michael Hays

Town of Deering

Selectmen
Town of Deering
RD 1 Box 166
Deering NH 03244

The elected auditors of the town of Deering for the year 1994 report the following:

The auditors have examined the financial records of the town and find them to be a fair presentation of the financial statements.

We submit the following for the Selectmen's consideration:

We all know that co-mingling of funds is always a concern when public monies are involved; therefore, we would strongly recommend that departments dispensing public funds should maintain a standard journal ledger showing all transactions. Also, minutes of all meetings should be kept to support these entries.

The selectmen should look at the books of the Library Trustee with the above in mind. A checking account would solve this problem.

Every manifest should be signed by at least two of the three selectmen every period.

The treasurer should review all manifests for proper signatures before paying invoices.

The policy for outstanding checks should be reviewed; checks which are stale, or over 180 days outstanding, should have selectmen's approval for re-issuance.

Respectfully Submitted,

Auditor

Herbert A. Frederick

Auditor

John R. Van der Linde

Town Warrant
and Budget

**TOWN OF DEERING
STATE OF NEW HAMPSHIRE
1996 TOWN WARRANT**

To the Inhabitants of the Town of Deering in the County of Hillsborough s.s., in said State, qualified to vote in Town Affairs,

GREETINGS:

You are hereby notified to meet at the Town Hall in said Deering on Tuesday the 12th day of March next, at 11:00 A.M. in the morning to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. Are you in favor of amending Section 8: Aquifer Protection Ordinance of the Town of Deering Zoning Ordinance to read as follows: Section 8:D1 - Location: The extent of the Aquifer Protection District shall be shown on the Aquifer Protection District Map and shall be the outermost edge of the surficial extent of all aquifer deposits presently designated as stratified drift aquifer with a transmissivity of more than 1,000 feet squared per day as supported by the information derived from the USGS Water Resources Investigation Report (WTIR) 92-4154 entitled Geohydrology and Water Quality of Stratified Drift Aquifers in the Contoocook River Basin, South Central New Hampshire, as prepared by Philip T. Harte and William Johnson and dated 1995. This map is to be used in conjunction with the tax map and/or other maps of the Town as an overlay district.

ARTICLE 3. Are you in favor of amending Section 5: Wetlands Conservation District of the Town of Deering Zoning Ordinance to read as follows: Section 5:E2 - No area of contiguous wetland in excess of 20,000 square feet may be used in determining required acreage or density under the provisions of this ordinance. An area of contiguous wetland up to 20,000 square feet may only be used once per (original) subdivision to offset an equivalent part of the acreage requirements for one buildable lot or dwelling unit for the new (proposed) subdivision.

ARTICLE 4. Are you in favor of amending Section 2: Districting of the Town of Deering Zoning Ordinance by re-designating present paragraphs F-K as G-L, respectively, and inserting a new paragraph after paragraph E to read as follows: Section 2:F - Home business offices may be maintained in this district by special exception, provided the business is not visible, audible or otherwise apparent from outside the home, other than a small sign attached to a mailbox for the facilitation of mail, and provided no more than 225 square feet of floor area is occupied by the business office, the proprietor or principal practitioner resides on the premises, the office has no more than 2 on-site employees in addition to resident members of the immediate family, and there is adequate off-street parking for such employees.

POLLS WILL OPEN AT 11:00 A.M. and will remain open until **7:00 P.M.** (The polls may be continued to be open following the above hour by vote of the meeting, but may not be closed before the hour of 7:00 P.M. - RSA 39:2)

ADDITIONALLY, pursuant to RSA 39:2a, you are hereby notified that Articles 5 through 13 will be taken up on **Saturday the 16th of March next, at 9:00 A.M.** in the morning. (All articles hereinafter are submitted by the Selectmen unless otherwise noted.)

ARTICLE 5. To see if the Town will vote to accept the reports of the Town Officials, Agents, Committees and Auditors for the year 1995.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$677,360 for general municipal operations.

1. Executive	\$ 38,500
2. Election & Registration	13,650
3. Financial Administration	21,600
4. Legal Expenses	3,500
5. Planning Board	1,710
6. Zoning Board	2,137
7. Town Buildings	10,000
8. Cemeteries	3,500
9. Insurance	10,800
10. Central NH Reg.Planning Comm.	1,568
11. Police Department	94,922
12. Fire Department	41,309
13. Building Inspector	1,300
14. Emergency Management	200

15. Dispatch Services	5,000
16. Highway General Maintenance	238,850
17. Street Lighting	2,400
18. Solid Waste Disposal	78,470
19. Sewage Collection & Disposal	2,000
20. Health Department Expenses	500
21. Concord Visiting Nurse Assn.	1,875
22. Cont. Valley Counseling	1,120
23. Hillsboro Youth Services	8,204
24. St. Joseph Community	650
25. Hillsboro Park Board	6,744
26. General Assistance	8,000
27. Library	50
28. Conservation Commission	1,750
29. Interest on TAN	5,000
30. Lease Payments	<u>72,051</u>
TOTAL	\$ 677,360

and to raise and appropriate such sums of money as may be necessary to defray the Town charges for the year 1996, or to take any other action relating thereto. The Selectmen recommend this appropriation.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$6,450. for the purchase of computer accounting software, or to take any other action relating thereto. The Selectmen recommend this appropriation.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$169,224 for (1) Gravel Crushing; (2) Calcium Chloride; (3) Reclaim, gravel and pave the asphalt portion of Clement Hill Road; and (4) Shim and Overlay Bennington Depot Road, or to take any other action relating thereto. The Selectmen recommend this appropriation.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$120,000 for the rehabilitation of the bridge #124/044 which carries Pleasant Pond Road over Piscataquog River. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the bridge is completed or in three years, whichever is less. (State Bridge Aid available \$96,000 (80%) Town share \$24,000 (20%). The Selectmen recommend this appropriation.

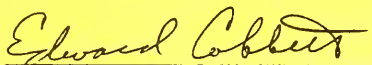

ARTICLE 10. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended balance of its annual appropriation, said funds to be placed in the Conservation Fund as authorized by RSA 36-A:5 1. (This is to clarify the purpose of, and update the Warrant Article passed in 1987).

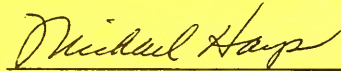

ARTICLE 11. To see if the Town will vote to support the major recommendations of the Transfer Station Committee as feasible and desirable for the Town of Deering. Further, to have the Selectmen appoint a Site Selection Committee. The Committee shall hold public hearings when and if a suitable site is located.

ARTICLE 12. To see if the Town will vote to prohibit the processing, storage, and landspreading of wastewater treatment sludge/biosolids, including, but not limited to, sewage, paper and pulp mill sludge, whether it be wet, dry, composted, pelletized, mixed with other materials or injected on or into the land in the Town of Deering until regulations are enacted by the Board of Selectmen or the Planning Board with public involvement, to control such activity.
(Submitted by petition)

ARTICLE 13. To transact any other business that may legally be brought before this meeting.

GIVEN under our hands and seals, this 15th day of February, in the year 1996.

Edward Cobbett, Chairman

Michael Hays

LIBRARY TRUSTEES REPORT

The Trustees of the Deering Public Library wish to thank Ruth Jarvis, Maureen Berger, Janet Nazro, Virginia Craven and Dorothea Preston for their assistance in maintaining library service for three months this summer.

A reading program was held with a small attendance. The awards were provided by McDonalds.

Books were made available at the town hall on thursdays from 5:00p.m till 7:00p.m during the winter.

Hopefully, 1996 will find more residents using their library. Materials are there for children and adults.

DEERING CONSERVATION COMMISSION

The Deering Conservation Commission has been very active trying to maintain the level of energy and participation which is required to support our existing programs and duties. This year the DCC sent two (2) youths to the Barry Conservation Camp for a week. This camp provides the opportunity for young people to heighten their environmental awareness.

There are two (2) major new projects on which the Commission has been and is currently working. The first involves modifications to the Town leased land on Deering Lake. The Commission is proposing some modifications to the boat launch area to mitigate the unsafe conditions which currently exists. The principal problem is that the boat landing is not segregated from the picnic/recreation area. Small children often play in the area of the boat launch and there have been several near tragedies involving trailers and small children. Conversations with the Water Resources Board have indicated that they are conducive to ideas to keep people away from the dam structures. The Commission is currently drafting a plan of action for this area to alleviate the public safety issues.

The second project underway is a joint effort of the Commission and the Zoning Board to draft a Shoreline Protection Ordinance. Rough drafts of the ordinance have been prepared and ongoing investigation into the various provisions of such an ordinance are being studied. As usual our work load is very heavy and we could use some new members. If you are interested, please contact any member of the Committee or the Town office.

DEERING POLICE DEPARTMENT

Chief of Police: Mark Plummer

Patrolmen: Carl DeOrio
Harry Thornley

In 1995 we saw the hiring of a fulltime Patrolman, through a Federal Grant. This now gives us 80 hours a week of committed Law Enforcement coverage. As you know there are 168 hours in a week. Last March I made the recommendation for 112 hours of coverage a week. From January 1 thru December 31 1995 our Dispatch line alone had 1,209 calls to service for our community, if you look at that and our population, thats 3 out of 4 residents. And 95 % of these calls came in from 8:00 am to 12:00 midnight. As Chief, I must recommend that we strive to get this coverage.

In the 1992 Town Report for the Police Department, Chief LaChapelle wrote that it takes up to and sometimes over an hour to get a State Trooper in our community. And in 1996, as we saw last year, this is not expected to shorten.

This year we saw an increase in calls to service in several areas. Do to the computer the department now uses. We are able to track problems areas more effectively. I have included an activity report with this years annual report.

I have applied for and recieved a Federal Grant to help defer some of the cost of hiring parttime officers. I have recieved a grant for 2 parttime officers. This will help us to provide the coverage that we need. The grant will pay 75% of the cost for three years. I hope that you will support this at town meeting.

The Police Department strives to bring you a professional, trained and motivated department devoted to serving you. I would like to thank all the citizens of Deering and the members of the Police Department for their support over the year.

Thank you,

Mark A. Plummer
Chief of Police

1995 Deering Fire Department Report

The Deering Fire Department responded to 32 fire calls this year, 9 calls less than last year. A breakdown of types of calls are as follows: 2 Structure Fires, 4 Chimney Fires, 5 Brush Fires, 1 Car Fires, 4 Tree on Wires, 3 Motor Vehicle Accidents, 1 Fire Alarm Activation, 1 Furnace Problem, 1 Explosion, 1 Lighting Strike, and 9 Mutual Aid calls.

The septic system at the McAlister Station will be completed as soon as warm weather returns. Firefighters have spent many hours doing general maintenance to the three fire stations. Overhead door openers are in the 1996 proposed budget for one station, we plan to have openers for all the remaining stations by next year.

The Deering Firefighters have participated in numerous training courses throughout the year, strengthening our department with more knowledge.

The Deering Fire Department took delivery of a new Pumper/Tanker Fire Truck in October of 1995. The new truck upgrades the towns ability to provide a larger amount of water with quicker response time.

In closing, I would like to thank all the dedicated Fire Fighters, and express my appreciation for the continued support from the townspeople.

Respectfully Submitted

Chief Keith B. Murdough

1995 Deering Rescue Squad Report

The Deering Rescue Squad responded to 132 calls in 1995, which is a 14% increase over 1994. There were 46 medical emergencies, 26 cardiac related emergencies, 36 trauma emergencies and 24 calls to assist the Fire Department. Paramedics from Washington, Hopkinton, and Concord continued to provide care for critical patients.

The Rescue Squad staffing includes 9 Basic Emergency Medical Technicians and three drivers. One member has completed the EMT-B course this past year. The Squad will be upgrading the level of training in the upcoming year with two members taking the Intermediate level course for EMT's. This upgrade in training will allow for intravenous lines to be started on the scene.

A priority for the Squad remains training and the advancement of skills for pre hospital care. Each EMT - B is required, over the course of 2 years, to obtain 48 hours of continuing education, as well as, complete a 24 hour recertification class. Annual recertification is required for the use of the Defibulator, use of the Esophageal Obturator Airway (EOA), and CPR.

It was another successful year for fund raisers thanks to the support of the community. We send of sincere appreciation to all of those of you who supported us in the past year. We would also like to thank those community members who filled out, and returned, the questionnaires last year. This has allowed us to assist you in a timely manner during your emergencies.

The upcoming year we are planning to hold an open house and other activities that will allow you to meet and discuss your ideas with the members. You can also contact us at the following address: The Deering Rescue Squad, PO Box 1292, Hillsboro, NH 03244.

Deering has gone onto the statewide 911 system, which means you can dial 911 for any emergency. Please remember to keep emergency numbers by the phone and teach everyone how to use them in case of an emergency.

Respectfully Submitted

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics

Forest Ranger Reported Fires

Number of Fires for Cost Share Payment	465
Acres Burned	437
Suppression cost	\$147,000+
<u>Lookout Tower Reported Fires</u>	555
Visitors to Towers	26,165

Fires Reported by County

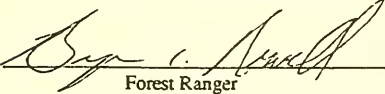

Belknap	11
Carroll	50
Cheshire	39
Coos	17
Grafton	26

DEERING BOARD OF ADJUSTMENT ANNUAL REPORT
1995

The Deering Board of Adjustment received seven petitions in 1995. The Board granted a special exception for a plumbing and heating business, a variance for an addition to a residence, and two special exceptions with accompanying variances for home offices. It denied a petition for special exception to operate a used car broker business in West Deering. The Board also granted, with conditions, an amendment to the original special exception to sell petroleum products (Deering General Store.) As the petroleum product facilities have been removed, the special exception is moot. A petition for a variance to the front setback for a proposed garage was pending at the end of the year.

The pending appeal of a variance granted in 1992 for a pre-existing nonconforming building lot (Rowe v. Town of Deering) was denied by the State Supreme Court.

The Board took up with the Board of Selectmen a number of possible violations of the Zoning Ordinance which had either come to the attention of the ZBA or been referred to it by the Board of Selectmen. The ZBA also worked on an amendment to the Ordinance to relieve certain applicants for special exceptions to operate home businesses from the need to obtain variances as well. It began preliminary work on a possible future Shoreland Protection Ordinance and overlay zone.

The ZBA By-laws were amended to increase the petition filing fee to meet increased costs and to change the regular meeting time to 7:30 p.m. on the third Tuesday of each month.

Respectfully submitted,

Lawrence Sunderland
Chairman

DEERING PLANNING BOARD

Spring tis surely on its way and will come fast with sure mud to nourish early flowers.

This past year, the Planning Board acted on and approved three minor subdivisions (less than four lots). We also conducted public hearings for proposed revisions to the Zoning Ordinance; Section 5 - Wetlands Conservation District, Section 8 - Aquifer Protection Ordinance and Section 2 - Home Business.

Coming up in May is the annual Spring Conference sponsored by the New Hampshire Office of State Planning, for Planning and Zoning Board members. I attended last year and found it very informative; hopefully more members can attend this year and meet people with similar concerns on land use issues.

I want to thank those on the Board for their interest in and service to the Town of Deering. Members of the Planning Board include Tom Copadis-Vice Chairman, Ellie Fitzpatrick-ex officio, John Hamilton, Bill Ryan, Dr. James Carew and Susan Carew-Clerk.

Sincerely,

A handwritten signature in cursive script that reads "Thomas M. Carew".

Chairman

BUDGET ADVISORY COMMITTEE

COMMITTEE RECOMMENDATIONS:

The Board of Selectmen of the Town of Deering should immediately adopt the accounting policy and procedures as stated in the New Hampshire Finance Officers Association Accounting Manual (see Appendix A).

The Board of Selectmen of the Town of Deering should provide sufficient resources to upgrade the town's computer software and hardware, if needed, to comply with the New Hampshire Finance Officers Association Accounting Manual.

The Board of Selectmen of the Town of Deering should provide adequate training for all parties involved with the implementation of this accounting manual.

The Board of Selectmen of the Town of Deering should immediately institute a policy of requiring all departments to use purchase orders for all purchased materials or services in excess of \$100.00. This form should be developed so that the following minimum items are contained therein; a PO number, vendor, date requisitioned, person requisitioning, account number, quantity, item, unit and total cost, authorization to order and material or services received authorization.

The Board of Selectmen of the Town of Deering should immediately institute a cut/add policy with an appropriate form for the transferring of monies from one account (object line) to another. Such cut/add form should contain the date, amount to be transferred, from which account, to which account, name of person requesting transfer, reason and authorization by the Board of Selectmen.

The Board of Selectmen of the Town of Deering should develop monthly expenditure reports for themselves and the department heads outlining the current years budget. They should include, for each line, and initial budgeted amount, adjustments (cut/add), expenditures during the previous month, expended year to date, funds encumbered, funds remaining and percent of initial budget remaining.

The Board of Selectmen of the Town of Deering should request that all department budgets for the following year be turned in to the Budget Advisory Committee or to the Board of Selectmen by October first. Such budget requests shall follow function and object delineation's and be accompanied by a comprehensive backup with reasons for the proposed expenditures.

The Board of Selectmen of the Town of Deering should develop a budget policy so that one time expenditures in excess of \$500.00 be listed separately in the department budgets.

The Board of Selectmen of the Town of Deering should develop a policy which would require bids on all expenditures exceeding \$1,000.00.

The Board of Selectmen of the Town of Deering should establish a Capital Improvements Planning Committee with representation from all town departments in order to provide coordination of major purchases and to ensure that the requests are evened out year by year so as to avoid any major tax spikes.

The Budget Advisory Committee requests that the committee be allowed to continue it's work as appointed by the Board of Selectmen of Town of Deering for one more year with the same membership.

The Budget Advisory Committee requests that responses from the Board of Selectmen of the Town of Deering to these recommendations be forwarded to the committee by the end of January, 1996.

Chuck Gaides, Chairman
John Ramsay

Keith Miles
Rose Wilson

Ed Naile
Kay Yeaple

DEERING TRANSFER STATION COMMITTEE

The Deering Transfer Station Committee has studied our current solid waste disposal system relative to efficiency, environmental parameters, and cost. The results of these findings were compared to a number of options and alternatives to determine which was best for Deering. The members of the Committee visited various types of transfer stations and consulted with professionals, groups, and agencies involved in the various aspects of solid waste management for information and ideas.

Based on our findings, the Committee determined that the most effective way to reduce costs is to reduce the quantity of solid waste on which tipping fees are paid. Recycling or reuse are the only alternatives which will reduce these fees. Conventional methods of recycling which involve sorting, separate containerization, specialized handling, and specialized equipment are too cumbersome and labor intensive and would not be cost effective for a community the size of Deering. The Northeast Resource Recovery Association (NRRA) has a new program which is available to member communities, where by BFI allows recyclables (i.e.: plastics, glass, tin cans, and aluminum cans) and mixed paper (i.e.: magazines, newspaper, cardboard, and junk mail) to be commingled into two (2) containers. The commingled recyclables and commingled paper are transported to the BFI Recyclery in Hooksett, New Hampshire where the contents are sorted and separated for recycling. BFI would charge no tipping fee for the commingled recyclables and pay Deering a guaranteed price of \$34.75/per ton for the commingled paper. This program would effectively eliminate the majority of the disposal costs for up to one half (1/2) of our household solid waste. It also drastically reduces labor, handling, and management costs that are normally associated with conventional recycling.

The savings of operating our own transfer station would range from \$40,000 to \$60,000 per year dependent upon the management options chosen by the Town. These savings would reduce property taxes. Construction costs for the transfer station were estimated to be about \$150,000 for several options that were investigated, but vary dependent upon site specific characteristics.

The Deering Transfer Station Committee would like to make the following recommendations to the citizens of the Town of Deering:

- (1) The Commingled Recycling Program offered by NRRA is the most economical and cost effective option available and should be incorporated into any solid waste management plan adopted by the Town.
- (2) A town operated transfer station is cost effective and should be constructed as soon as a suitable site location can be found.

CENTRAL NEW HAMPSHIRE
REGIONAL PLANNING COMMISSION

329 Daniel Webster Highway
Boscawen, New Hampshire 03303
(603) 796-2129

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Deering is a member in good standing of the Commission.

Our mission is to improve, through education, training, and planning assistance, the abilities of the municipalities of the region to prepare and implement municipal plans; to prepare a plan for effective and appropriate development and utilization of the resources of the region; and to assist municipalities in carrying out the regional plan.

Member communities receive a variety of planning services, including telephone consultations on planning issues; planning research; sample ordinances, regulations, and planning documents; models; data and access to data sources; review and comment on planning documents; development review, and educational programs. Membership also entitles a community to below market cost planning services such as master planning assistance, GIS mapping, and grant preparation. During 1995, our services in Deering included:

providing a copy of the master plan on disk; providing information on obtaining aerial photos; providing training on subdivision review and planning board procedures; providing census population data and projections to the school district; consulting on the use of class VI roads to provide required lot frontage; consulting on procedures to meet new state requirement to provide final subdivision plans to state agency; and providing traffic counts on the roads requested.

The regional planning activities also directly benefit every community in the region. During 1995 our accomplishments included:

- preparing a regional planning commission Representative Handbook
 - helping communities in the Central Region access special federal transportation funds
 - supporting the efforts of community representatives engaged in planning for the Contoocook, Merrimack, and Soucook Rivers
 - presenting educational programs at our quarterly Commission meetings (topics: radon, Canterbury Shaker Village, and innovative septic systems)
 - preparing and distributing a comparative analysis of zoning ordinances in the region and preparing an exclusionary zoning summary for each community
 - creating a zoning amendment calendar to assist Towns with the amendment process
- For additional information, please contact Bill Klubben, Executive Director.
- adopting the Affordable Housing Assessment
 - adopting the Regional Transportation Improvement Program, the capital improvement plan for transportation in the region

II. 1995 marked our sixth complete year of successful operations. Some items which may be of interest follow:

The tonnage delivered to the plant by the Cooperative this year was 115,935. This was a decrease of 575 tons over 1994, or a 0.5% decrease. 1995 marked the third straight year that the Cooperative went over GAT. Our GAT for 1995 was 112,869 tons and 115,935 tons were actually delivered. A total of 65,299 tons of ash were delivered to the landfill for disposal. The landfill continues to operate well.

The 1996 budget reflects a decrease in the tipping fee of \$1.00 per ton. This is the second time that the Co-op has been able to reduce the tipping fee for the communities.

The ash paving demonstration project in Laconia continues to be monitored by UNH. The final report and permitting are to be completed early this spring. All is going well with the project.

Phase III-A of the ash landfill was completed in December of 1995. Phase III-B construction will begin in the early spring of 1996. The completion of Phase III construction will provide approximately 9 years of disposal capacity.

MINUTES OF THE TOWN MEETING
TOWN OF DEERING
MARCH 14, 1995

A legal meeting of the inhabitants of the Town of Deering qualified to vote in town affairs was called to order at 11:00 A.M. in the morning of March 14, 1995.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year. Total Ballots cast - 412.

Selectman for Three Years -
Eleanor B. Fitzpatrick - 212
Edward M. Naile - 199
Library Trustee for Three Years -
Susan A. MacLeod - 315
Trustee of Trust Funds for Three Years -
David D. Stansfield - 299
Trustee of Trust Funds for Two Years -
Herbert A. Frederick - 267
Town Treasurer for One Year -
Linda Goyette - 310

HILLSBORO-DEERING SCHOOL -
Moderator for One Year -
Russell S. Galpin - 293
School Board from Deering for Three Years -
Garrick Pelletier - 217
Mike Porter - 158
School Board at Large for Three Years -
Vicki B. Dodge - 195
Richard F. Pelletier - 147

On Saturday, March 18, 1995, at 9:00 AM, Mr. Charles Levesque, Moderator, opened the meeting with a salute to the flag, followed by a moment of silence. The following Rules for the Town Meeting were voted:

1. Only registered voters may speak unless the body decides otherwise.

2. In order for you to speak I must recognize you (to keep order). If you wish to be recognized please raise your hand or stand. When recognized (each time) by the Moderator please state your full name. You may then have the floor. Only one person, the one recognized, may speak at any one time.

3. When you have the floor to speak, you must address the issue at hand or you will be considered out of order.

4. If others wish to comment on the question (motion or article) or on what is being said, they

should raise their hand and they will be recognized as soon as the person speaking is finished.

5. If you are making a motion or amendment, the Moderator must have it in writing.

6. There shall be no more than two (2) amendments at one time. Once we have two we will vote on them and then others can be introduced.

7. To overrule the Moderator on a question of procedures requires 1 person to stand and question a ruling. Then the majority of the body must vote to overrule.

8. To question the ruling of the Moderator on the outcome of a vote requires 7 voters. If it was a voice vote, we will then go to a show of cards unless a secret ballot vote is requested by the 7. If it was a show of cards we will then go to a secret ballot. This must happen before any other business occurs.

9. Only 1 reconsideration of a article will be recognized.

10. The Moderator will not accept motions to "call the question" unless everyone who wishes to speak has done so at least one time.

11. The Moderator will not accept motions to "pass over", "table", or "indefinitely postpone" an article. If the body wants to dispose of it, it should simply vote the article down. This prevents the confusion of people having to vote positively to dispose of an article.

12. There shall be no substantive motions under the last article.

It was voted to waive the reading of the entire warrant at this time, and to waive the reading of each article on the warrant.

ARTICLE 2. It was voted to accept the reports of the Town Officials, Agents, Committees and Auditors for the year 1994.

ARTICLE 3. By amendment it was voted to raise and appropriate the sum of \$645,143 for general municipal operations, with the stipulation on No. 11 that Federal money is utilized to hire a full-time officer.

- | | |
|-----------------------------|-----------|
| 1. Executive | \$ 39,000 |
| 2. Election & Registration | 11,900 |
| 3. Financial Administration | 20,000 |

25. General Assistance	5,000
26. Library	50
27. Conservation Commission	1,750
28. Interest on TAN	10,000
29. Lease Payment on Loader	19,503
30. Lease Payment on Cruiser	<u>7,351</u>
TOTAL	\$645,143

and to raise and appropriate such sums of money as may be necessary to defray the Town charges for the year 1995.

At this time it was voted to restrict reconsideration of Article 3.

ARTICLE 4. By paper ballot it was voted to raise and appropriate the sum of \$186,599 for gravel crushing, reconstruction and paving of 2nd NH Turnpike and Calcium Chloride. (Yes 64, No 60)

It was then voted to restrict reconsideration of Article 4.

ARTICLE 5. By paper ballot it was voted to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a Dump Truck with equipment for the Highway Department, and to raise and appropriate the sum of \$15,700 for the first year's payment for that purpose. (Yes 68, No 52)

At this time it was voted to consider Article 8 out of order.

ARTICLE 8. To see if the Town will vote to adopt the provisions of RSA 32 THE MUNICIPAL BUDGET LAW. The polls were open from 4:32 PM to 5:32 PM and the article

was defeated. (Yes 60, No 81)

ARTICLE 6. By paper ballot it was voted to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a Fire Truck for the Fire Department, and to raise and appropriate the sum of \$40,000 for the first year's payment for that purpose. (Yes 60, No 42)

ARTICLE 7. By amendment it was voted to raise and appropriate the sum of \$1,500 for the purpose of evaluating the feasibility of the implementation of a transfer station in the Town of Deering. If a transfer station is judged feasible, to prepare a plan to implement, including siting and levels of service options.

ARTICLE 9. It was voted to authorize the Board of Selectmen to accept or purchase with appropriated moneys, on behalf of the town any federal or state surplus equipment until rescinded by a vote of the town meeting.

ARTICLE 10. It was voted to authorize the Board of Selectmen to trade, sell or otherwise dispose of any surplus town property, such moneys to be deposited into the general fund until rescinded by a vote of the town meeting.

ARTICLE 11. It was voted to authorize the Board of Selectmen to accept on behalf of the Town, gifts legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19 until rescinded by a vote of the town meeting.

ARTICLE 12. Under this article the following suggestion and/or statements were made:

1. It was recommended to the Board of Selectmen that an Advisory Budget Committee be appointed by the Moderator. The Committee will report to the Selectmen, but its recommendations will be published in the Town Report. The Committee will have one Selectman as a member. This Committee will remain in place unless rescinded at a future Town Meeting.

2. Charles Levesque, Moderator, was commended for the professional job as a first year Moderator.

It was voted to adjourn the meeting at 5:55 PM.

Respectfully Submitted:

Hazel C. Vogellen, Town Clerk
